Descrizione

The Transformable hand track were created to solve 3 transport needs in a single solution, which can be transformed into 3 positions with the use of only one hand:

- Vertical with 2 wheels: allows you to easily and quickly support packs or panels of small dimensions.
 - Inclined 4 wheel: allows you to move heavier or particularly tall objects without effort and without risking falls.
 - 4 wheel flatbed: perfect for oversized or stacked objects, it can move easily and in total safety.
- Suitable for both industrial and domestic use
