

# Double handgrip stairclimbing hand truck

## Immagini Prodotto

## Descrizione

---

The handle, housed on two rear supports, can be removed and hooked under the loading plate and used by a second operator.

The transport with the double handle activated (so-called stretcher) allows easier transport even in the case of heavier weights.

Ideal for loading appliances and bulky loads.

6 industrial rubber wheels on rotating star Ø150

Star support in pressed and galvanized sheet metal with roller bearing central hub.

Wheels with roller rolling.

Hand truck for stoneware, asphalt, concrete and resin.

**Sizes** 630x580x1260h mm
