

Stairclimber truck, folding front platform

Immagini Prodotto

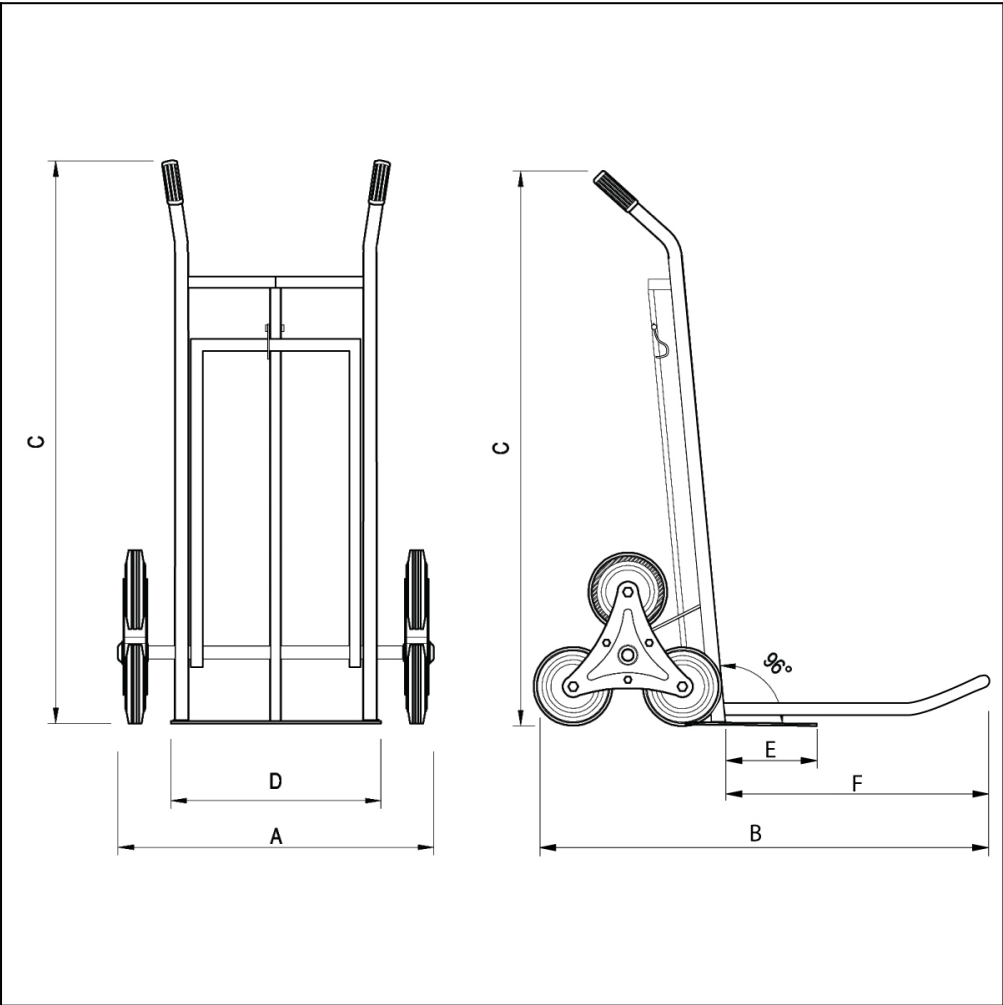

Descrizione

Hand truck with curved backrest ideal for holding bags, drums and soft materials.
Ideal for loading jobs, deliveries, removals, but also for housework or garden work.
Hand track developed to overcome annoying differences in height (such as stairs) with double platform that can be opened for greater loading space. Excellent stability for both home and industrial use, light weight and easy to use.

6 industrial rubber wheels on rotating star Ø150
Star support in pressed and galvanized sheet metal with roller bearing central hub. Wheels with roller rolling.
Hand truck for stoneware, asphalt, concrete and resin.
